

Recycle in Villa Park

The Village of Villa Park is pleased to announce the addition of two Paper Retriever Recycling containers. These containers are located at Lufkin Pool, 1000 South Ardmore and Village Hall, 20 S. Ardmore.

Residents are encouraged to bring their unwanted newspapers, magazines, catalogs, junk mail, office and school papers to these receptacles for recycling. All proceeds from the recycling effort will help support the Fish Re-Stocking Program in all Village ponds.
