If you have previously purchased a photo ID pass, you simply need to complete a renewal application and bring in your old pass(es) to the Iowa Community Center or Community Recreation Building and we will affix your 2010 sticker. Your pass is not valid for the season until the current sticker is affixed.

If you do not have your old pass(es) may purchase new ID cards for an additional \$5. We recommend that passes for children be re-issued every two years, so that the photo can be updated. These will be provided at no additional cost.

Please note that photos may only be taken at the Iowa Community Center. **Please note the renewal application is on the reverse side.**

If you have family visiting from out of town, or you and your family only use the pool a few times each season, this may be the pass for you.
