

Villa Park Mariners Big/Little Brothers/Sisters Sign-up Form

I would like to be a part of the Mariners Big/Little Brother/Sister program.

I understand and agree to follow the guidelines that have been established for this fun activity:

1. The intent of the program is to educate and encourage new and younger swimmers.
2. To be in the program you must sign up. This is true for both big and little siblings.
3. The age division between who is a big sibling and who is a little sibling will be determined by how many kids sign up
4. Siblings will be assigned on a non-gender specific basis. We have many more girl swimmers than boy swimmers, so it is possible a little brother might have a big sister rather than a big brother.
5. The activities should be limited to making posters and cheering for the big or little sibling. We'd prefer no gifts be given but if you feel the need, we ask that you **please** keep the cost to no more than \$1 (candy or Gatorade, for example). Not everyone can afford to spend \$3 or more per child at 10 or 11 meets and we don't want anyone to feel uncomfortable or obligated.
6. Big siblings can also help little swimmers out with getting to the clerk of course or general guidance. **In the case that you are a big sibling to a new swimmer it would be helpful if you were able to get the new swimmer's race numbers with him/her and take him/her to the clerk of course for the first race.**
7. Signups must be put into the mailbox of Christiansen by Tuesday, June 1, 2010.
