 Mrs. McCarthy & Mrs. Dunbar

May 2

We are getting ready for the first annual "Cross Hall Classic" rival baseball game against room 8.

May 5 - 9

This week we will be working on a Mother's Day project. Please don't ask the children about our project... They may spoil the surprise. Friday; we will be joining room 8 for a ballgame. Come cheer us on!

May 12-16

On Monday, we will be tying up loose ends. We graduate on Wednesday. Friday is our all school picnic from 11-1pm. Finally thank you for a great year. We have enjoyed having your child in our class. We hope that they have enjoyed their year and are ready for that next big step... Kindergarten. Have a wonderful summer and take the time to enjoy your time together.
