PRESCHOOL NEWSLETTER GENERAL NEWS May 2008

Dear Parents,

We are always surprised that the end of the year comes so quickly. This has been a busy and exciting year in all the classrooms.

I would like to take a moment to thank all of the wonderful families that have made my 9 years in this program so rewarding and memorable. I will be leaving this summer to begin a new and exciting chapter in my life. You and your children have touched my heart and you will not be forgotten.

Each of the preschool classes will have an end-of-the-year graduation celebration in their classroom on May 14th and 15th. We have staggered the ceremony times so that parents with children in two classrooms can attend both events. Please see schedule on the attached flyer.

Our school picnic will be held on Friday, May 16th, rain or shine. All of our preschool families are invited to attend from 11:00 a.m. – 1:00 p.m. and should bring their own lunch, chairs, blanket and anything else for your picnic. Our theme for this year's event is Under the Sea. We will provide games and activities for the children that we hope will create a fun and memorable end to our preschool year. Please see the attached flyer for more information.

Thank you all so much for donating, volunteering, and supporting our program. We could not have such a successful year without you!!

Have a Super Summer! Remember we have preschool camps and Funtime Junction to help fill your summer days. These programs will include regular visits to the pool, field trips, fun summer themes and special events.

Sincerely,

Sophia Garcia Smith
Preschool Director
